Dear Sir:

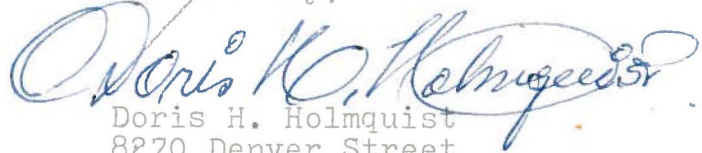

Enclosed please find my application for employment by the State of California. I am a registered nurse.

I am very interested in working with a licensing review team. In the last two years, I have been director of nurses in a convalescent home and, therefore, feel qualified for a position on an inspection team of such facilities. I am well acquainted with Title Twenty-two.

I live in Ventura, but would be willing to work out of Santa Barbara office. It is my pleasure to know both inspection teams since they have inspected my former facility many times.

Please keep me in mind when the next interview and examination will be coming up. If there should be any additional forms or other things to do prior to the test date, I will appreciate being contacted.

Yours truly,

Doris H. Holmquist
