Mr. Thomas H. Catlett
Beverly Manor Convalescent Hospital
2225 De La Vina Street
Santa Barbara, CA 93105

Dear Mr. Catlett:

It was a pleasure to meet you and learn about the concern you have toward your facility and the patients and staff there. I observed the cheerful atmosphere and the excellent care of the patients, and this made me feel both relaxed and good. The relatively small patient census was a definite asset. This provided the opportunity for better patient care as well as family involvement in planning for the welfare of residents.

I would consider it a privilege to work with you and your staff in a D.N.S. position for either a short or even long term basis. Kindly contact me when the need arises.

Relative to salary, I feel certain that we can come to an agreement. At the time of my resignation from the Extended Care Hospital, after fourteen months of work, I was earning \$1450.00 a month. Please let me know what you can pay.

There will be a period of six weeks when I will be in Sweden visiting my parents, who are seventy-nine and eighty-two years old. This falls approximately between the dates of May first and June fifth. I have had to make reservations six weeks in advance in order to avail myself of the Apex economy fares. I hope this trip will not inconvenience you too much.
