

has us to certify that I lived in
the house of Mr. Frank R. Halling at
17 Lu Phan Road, Saigona, China, after
the departure of Mr. and Mrs. Halling from
Saigona in October 14th 1949 until January
30th 1951, when I was obliged to vacate the
house because of taxation problems posed
by the Communist authorities. Following
my vacating of the house it was occupied
by some Russian Advisors and later
by members of the Communist police
force which was as of the date of my
departure from Saigona in September 1st
1951. I left the house completely furnished
and in good condition throughout.

Respectfully submitted,

Cecilia Jivell
