I have almost been in Sweden a month
but the weather - snow on forest and
landscapes is like a dream. So is freedom and
our happy reunion.

The flight between Hongkong - Stockholm
was wonderful. I cannot think of better service
than the Scandinavian Airlines system. It is
fantastic to be able to leave Hongkong in the morning
and arrive in Stockholm the following day at
11 pm. And what a welcome - journalists, Board
members, Hellen, Egon and friends!

My one week's stopover in Israel
was a great experience. I stayed 3 days in
Jerusalem at the Y. where the Putnams are in
charge. Then spent 3 days at the sea of
Galilee while visiting Capernaum, Jordan
theberias, Nazareth. The last day was a trip
to Haifa, Tel Aviv, Lydda. If you travel via
Europe don't miss Palestine or Sweden.

I am resting up with Hellen at
Leksand - one of the most beautiful spots in
this country. Francis should be about in
Switzerland by this time but I have not had any
news since she boarded the steamer. Hope
all friends soon can enjoy a happy
reunion with their loved ones. Hellen is

Looking much better. She has put on 17 k.
since leaving Chicago. She has prepared a
lovely little home. It was also nice to meet
Rory. He is at least half a head taller than
I - 1.94 m. Give hearty greetings to you
and all friends. Cordially yours,
Joshua arrived safely! Oscar
