Dear Helen,

My goodness! How can I express in words how lovely the three copper dishes are which you sent to us for our home! How good and wonderful you are. Your visit blessed our home and I still remember with pleasure your sweet and good prayers you prayed for us at the table many times.

Thank you for coming to see us. How wonderful friendship among Christians can be!

Our trials in China were worth it if for nothing else than the good and life-time friends we made there. Please don't forget us! Ever.

How, Helen, we hope and

How, Helen, we hope and

pray that your mother  
you in Sweden by this time.  
He had a letter from Mr. Halling  
written Oct. 4<sup>th</sup> from Manila. He said  
that he had just had a letter from  
Oscar Penell, "just out of Tsingtao."  
What wonderful words: "just out  
of Tsingtao"!! He said Oscar  
was then in Palestine and would  
be with you in Sweden before the  
end of October! Wonderful news!

All the other news he had for us  
from China was very bad for  
most people.

Did you get to see Irene Forsythe?  
Would love to see her. She was  
lucky to be "deported". Poor Clara  
& Paul! Any news about them?  
Do they have a lot of trouble?  
Do they have enough food?  
Any church work?

Thank you again for the gift.  
We want you and Oscar to  
know that we rejoice with  
you both ~~to be~~ that you are  
again together. May the Lord's Presence  
be with you always. Yours, in Him  
Ira & George

He had to make a  
little more money to  
meet the bills. Business  
is good & it is nice  
& interesting. We don't  
have people every  
night - a few call week.
