Dear Friends,

Many thanks for your kind hospitality. It was a thrilling experience to visit Jerusalem, Nazareth, Tiberias and other places with their holy memories. I stayed with the Leväntö three nights and crossed the lake several times. I am glad my colored pictures from Israel turned out so wonderfully! I should of taken more than I did...

I left Lydda by S.A.S. plane Oct. 8 in the morning and arrived 11 o'clock in the evening in Stockholm. Photographers, reporters, and happy reunion with relatives and friends. The next day I spoke over the Radio and at the Board meeting. The last Swedish missionary to leave China did get a hearty welcome and a lot of publicity!

Miss Irene Forsythe will after all not visit Palestine. She and another Presbyterian missionary from China are touring South Europe at present. Irene will be our guest during the Christmas season.

Yours sincerely,
* May be the Swedish missionary in the Protestant mission could help?
