Liberias - Israel

Dear Friends,

Many thanks for your kind hospitality and Christian fellowship. It was a thrilling experience to visit Jerusalem, Liberias, Nazareth and other places with their holy memories. I am glad my colored pictures from Israel turned out so wonderfully. I should I have taken more than I did. Thanks a lot for the pictures and papers I received recently.

I left Lydda by S.A.S.-plane Oct 8 in the morning and arrived in Stockholm 11 o'clock in the evening. Photographers, reporters and happy reunions with relatives and friends. The next day I spoke over the Radio and at the Board meeting. The last Swedish missionary to leave China did get a hearty welcome and a lot of publicity!

The two missionaries from China will after all not visit Palestine. One
