Dear Paul,

Charles Coward is the first one to break the glad news that you are out of China, aboard the S. Cleveland and by now in the land of the free. Praise the Lord that it is true and hearty congratulations. I am sure you have a happy reunion with loved ones and all who have been praying for your liberty. Relax and have a good rest. You certainly deserve it and I am sure you really need it.

I hope you arrive in the States by Christmas.

Merry Christmas and Happy New Year - the best you ever have had during your young life.

News from China says that Beifeng must wait later steamer as fifth telegram from Hongkong was not signed. I was surprised to learn that Queders are still there. Nothing has been said about Clara & Paul. Poor old Pop must be worn out waiting to leave. I wish they will all leave as soon as possible.

Eggon flew to Japan as our first missionary in that country on Nov. 28. The plane started from Stockholm Wednesday morning and landed in Tokyo Friday. Fantastic.

My trip by S.A.S. plane was a wonderful
experience. She leaves Hongkong in the morning
and next day 11 pm arrives in Stockholm.
I am now surrounded. The work in Israel was
thrilling. Visited the SBC mission in Nazareth.

Arrived Oct. 8th in Stockholm and was welcomed
by photographers, journalists, Hellen Egron and
many Board members & friends. A happy re-
union. Hellen is much better and has prepared a
very nice home close to where Ray lives. After your
rest I will be thrilled to hear from you. Hellen
joins me in warm Christian greetings to you
and Mrs Stuart. Yours sincerely, Oscar Rinell
