Dear Bernie and Hellen,

Many thanks for your kind letters. It is always nice to hear from you. Hellen has kept you well informed about our doings. I am sorry that my letters are so few and far between. Bernie has several questions in one letter that should have been answered ages ago, but better late than never ---

I am going to attend the Pastors Conference at the Southern Baptist Theological Seminary, Rischlikon-Gürich, Switzerland! The date is June 16-25. I have been asked to give a message on "Christianity in Red China" there will be a discussion afterwards. I have not yet seen the program but Mr. Jesse H. Tranks says it will be "an unusually strong" one. Representatives from different European countries will be present.

Hellen has already written about the movie camera. There are at present no Kodak cameras of the same type on sale in this country. I cannot very well change as all my equipment is from Kodak. I hope Mr. Peterson, Chicago, will be so kind as to bring my camera with him.

We can arrange copies of my Chung film. We got the wrong prices in the beginning but it was corrected later. Hellen

I have the Zeiss camera Contax IIa.
It is a wonderful camera. A photographer-

for the job. They need interpreters with knowledge of

the job for 6 months or so. Love from all of us,
As ever, Oscar
